

Burger Monger
Tampa, Florida

Hi Antonio, Ronald and Bill,

I just wanted to let you know that BurgerMonger and HeartBrand Beef had an extraordinarily successful Tampa opening day.

We have served nearly 400 guests today (honestly hoping for about 200).

The response to the HeartBrand Beef has been great! The food, the service, and the staff's warm hospitality were well executed.

We feel so lucky to be your partners.

Jake Hickton,
General Partner
