

Akaushi Beef: The Best-Tasting, Highest Quality Beef in the World

In case you missed the excitement over the holidays, we want to alert you to the introduction of the best-tasting, highest quality beef in the world, now available at all Kowalski's Markets. Akaushi (ah•ka•oo•shee) beef is a gourmet beef that shatters the American scale of quality – consistently two to three grades higher than prime beef! It has the flavor and texture that redefines the term "melt-in-your-mouth" tender. That's why top chefs from around the globe are proclaiming Akaushi the best-tasting beef in the world – hands down.

- Akaushi beef has a natural buttery flavor and fork-tender texture.
- Rich in monounsaturated fat and oleic acid – both considered heart healthier fats.
- Free of antibiotics and any added hormones.
- All animals are treated humanely.
- An experience you can't wait to share.
- Limited supply now available exclusively at Kowalski's.
